VisionCare Plan Overview ID Card

VisionCare Plan offers you and your family an outstanding benefit plan that covers all routine eye care, including eye exams and eyeglasses (lenses and frames) or contacts. The plan features:

- In-network and out-of-network benefits
- Enhanced in-network benefits
- National panel of optometrists and ophthalmologists

Frequently Asked Questions

How does the plan work?

The plan is easy to use!

1. Your ID card and a certificate of coverage will be mailed to your home. The certificate gives detailed information about VisionCare Plan benefits.
2. Present your ID card at the time of your visit. You'll pay any co-payments at that time.

You have nothing more to do! The doctor provides you with services and bills CompBenefits directly for the balance of your bill.

Since the plan is designed to meet your eye care needs, optional upgrades (like frames costing more than the plan limits, progressive lenses, or contacts that are not medically necessary) will cost extra. However, since all upgrades are on a wholesale basis, your cost will be lower than what you would pay on your own.

What are the advantages of using a network provider?

CompBenefits' national network of providers provides you with one-stop shopping. You'll receive eye exams and materials and pay nothing more than your co-payment (cosmetic options will include additional charges).

What if I want to see a provider not in your network?

If you prefer, you can visit a non-network doctor. You will pay the doctor's regular charges, and CompBenefits will reimburse you according to the plan's non-network benefit schedule.

How can I get more information?

You may contact CompBenefits' Member Services Department with any questions or concerns at 1-800-865-3676, M-F 8am-6pm EST. You may also locate us on the web at www.mycompbenefits.com.
